Vishal Thakur

Project Lead Developer @ Mittal Bazar | Google Cybersecurity
Certificate
Ranchi, Jharkhand, India

Summary

At Mittal Bazar, our team advanced web applications by integrating Generative AI, achieving secure, intelligent frameworks that heightened user interactions. Our project's success hinged on leveraging advanced data analytics, a skill fortified by my studies in physics and specialized certifications.

Previously with Shri Nath IT Solutions, we developed robust web portals with a focus on security and analytical depth. Our work there, coupled with my academic pursuits, exemplifies a commitment to merging scientific principles with technological innovations, ensuring functionality and strategic foresight in our solutions.
